

## **Notification to Customers**

In compliance with New Prague Utilities Commission (NPUC) adopted rules relating to cogeneration and small power production, NPUC is obligated to interconnect with and purchase electricity from cogenerators and small power producers that satisfy the conditions as a qualifying facility. NPUC is obligated to provide information regarding rates and interconnection requirements free of charge to all interested customers upon request. All interconnections require an application and approval to become a qualifying facility. Any disputes over interconnection, sales and purchases relative to qualifying facilities should be brought to NPUC for resolution, per NPUC Distributed Generation Rules adopted 01/31/22. Interested customers should contact Bruce Reimers, 118 Central Ave N, New Prague, MN 56071 or call 952-758-4401.
