

Household Organics Site Rules

1. Individuals who would like to use the site must sign the online form and receive a key from City Hall.
2. When disposing the organic waste, the materials must be in a BPI compostable bag or paper bag or directly thrown into the dumpster.
3. Only Le Sueur and Scott County residents may use the household organics site.
4. Do not take more than two compostable bags at the site.
5. No illegal dumping or throwing away waste that is not accepted.
6. Only household organics may be thrown away. Not commercial use.
7. Any violations may result in revoking the organics key.
